A NEW GOLD MINE IS BORN

A GOLDEN NUGGET
OF AN
OPPORTUNITY
YOU CAN'T AFFORD
TO MISS

Historic Rise of Gold

The demand for gold has been historically high and supplies are lagging the pace of demand. Gold continues to serve as a hedge currency for Governments, institutional and individual investors and the global financial community. Gold is used in the multi-billion dollar jewelry business; construction industry, technology, minted coins by governments, collectors and artist.

WHY INVEST

Many investors are not afforded the opportunity to invest in the early stages of a company poised for profitability in its first years of operation. This opportunity is rare and must be given serious consideration. We have outlined some of the most compelling reasons you should invest with our company to aid you in the full understanding of this auspicious opportunity

1. **Mining In Early Stages**
2. **Focused On Growth**
3. **Focused On Growing Production**
4. **Focused On Building a Strong Balance Sheet.**
5. **Rising Price of Gold**

Financial projections

Proforma Profit and Loss (Yearly)			
Year	2014	2015	2016
Sales	\$119,897,082	\$143,876,498	\$175,529,328
Cost	\$30,542,310	\$34,818,233	\$37,603,692
Gross Margin	74.53%	75.80%	78.58%
Operating Income	\$89,354,772	\$109,058,265	\$137,925,636

The company intends to operate a positive cash flow balance sheet the first year and in subsequent years. Our goal is to grow our balance sheet each year by efficient management, cost containment, expansion and growth by partnerships and exploration of new gold reserves, products and services
